Please answer the following questions. Include as much detail as you can. Specific examples of how your mentor assisted you or made a difference should be included. Remember, outstanding mentors should have demonstrated practices that go above and beyond the normal responsibilities to students in the mentoring relationship.

1) What did you learn from your mentor?

2) Why do you think your mentor deserves the outstanding mentor award?

Please circle the most appropriate response and provide comments for each of the following items:

3) My mentor provided me with background material prior to my arrival at the lab?

**Strongly
Agree**
